

List of changes for:
Federico Girosi and Gary King. *Demographic
Forecasting*, Princeton University Press.*

April 4, 2009

- P.247, 2 lines above the last set equation: change “ $j = 2$, the classic five-point central second derivative” to “ $j = 1$, the classic five-point central first derivative”¹

*See <http://GKing.Harvard.edu/files/smooth>.

¹Thanks to Carl Schmertmann for pointing this out.
